

christie parksafe: facia panel selection guide.

Standard facia panels on Christie Modular Parksafe BBQs are available in five contemporary 'Colourbond' colours.

The selection inspired by the natural world and designed to compliment the environment that will surround the BBQ. Other colours and finishes are available as a Special Order at additional cost.

Doors are all finished in Aztec Silver for maximum durability and are available in a polished finish as an optional extra. The Modular Frame is also finished in Aztec Silver as standard.

Note: Reproduction accuracy of website colour swatches is very limited and should be used as a guide only. Check with your local Colourbond dealer for actual colour swatches.
